

Marble Flame

Premier Distributor of Marble Fireplaces

About us

As a leading stone specialist, we pride ourselves in the quality of our stone.

We use the latest technologies in stone fabrication, along with the craftsmanship of our highly skilled in-house team. Our extensive range of quality fireplace surrounds are distributed through our network of trusted partners throughout Ireland. We can also cater for bespoke surrounds; if you are interested in this then get in touch with your local stockist.

Lyonette in Ivory Pearl

Lyon in Honed Carrara

Material Gallery

We have expertly selected 7 colours which will deliver the highest quality of marble surrounds, slips, back panels and hearths.

NEW

Braga

A taupe colour with slightly darker yet very subtle veins. This colour is perfect for a modern decor.

Braga

NEW

French Stone

French Stone is ideal if you want a bold yet simplistic look. A limestone colour which is a shade between white and ivory; it has darker patterns running throughout and will fit seamlessly into most room decors.

French Stone

Honed Carrara

Honed Carrara

Bring a sense of luxury to your home with our Honed Carrara surrounds. A bright and welcoming white with subtle grey veins running throughout which will provide a simple yet attractive design.

Ivory Pearl

Ivory Pearl

A timeless classic. Ivory in colour with subtle flecks; this colour will lighten your interior whilst also giving a little traditional charm.

Milan Cream

Milan Cream

Our Milan Cream is a popular choice due to its polished cream finish and timeless wispy white veins which give a natural tone; suitable for any decor.

NEW

White Pearl

White Pearl

A classic white with subtle flecks, our White Pearl will bring a touch of elegance and splendour to any room.

Antique
Emperador

Antique Emperador

Exuding warmth and sophistication our Antique Emperador is bold with natural veining and has a rough volcanic finish.

The contemporary clean design with its straight lines and detailing makes this a piece suitable for any decor.

Available in 3 colour options:

Overmantles

Our range of overmantles will offer a sleek design to perfectly compliment your new fireplace surround. As well as giving your room additional light, your overmantle will help to transform your fireplace into an attractive focal point within your room.

We have three design options to choose from in a variety of colours; so, whether you have a classic, traditional or a more modern decor, our overmantles will suit any style.

Plain Mirror

This rectangular mirror will help to create a statement and make your room appear larger.

Standard Arched Mirror

Traditional in its style, the arched mirror gives a new visual dynamic to the fireplace which contrasts with the straight lines of the mantle.

Large Arched Mirror

Sure to create a focal point in your room, this overmantle works best with large traditional style surrounds.

Mirror	Width	Height	Mirror (WxH)
Plain	44" (1110mm)	29" (740mm)	34" x 19.5" (870mm x 500mm)
Standard Arched	47" (1200mm)	40" (811mm)	36.5" x 27.5" (930mm x 705mm)
Large Arched	60" (1520mm)	38.5" (980mm)	43" x 28" (1100mm x 720mm)

Please note the below on:

Materials

Please consult your local dealer if you require any further information regarding the material of your fireplace surrounds or overmantle. A description of all materials is available online at www.marbleflame.com

Sizes

Sizes are accurate at time of print. Please note due to continual product development we reserve the right to change any details in the specifications without prior notice.

All sizes need to be confirmed with your dealer prior to any agreement so to ensure any amendments can be accepted before purchasing. For most accurate sizes please refer to metric measurements.

Specials

Amendments of all descriptions are offered on a continual basis, whether it be a special hearth to fit an existing floor or to replicate a picture or model you have already fallen for. Your dealer will be able to give both the lead time and price for the request.
